Choose from either apple or orange juice

Children should eat at least 5 portions of a variety of fruit and vegetables a day. All our main meals come with a choice of 2 yummy sides, providing 2 portions of their 5-a-day.

Don't worry, we know there are allergens in our food that we need to tell you about, so please let your server know if you have a specific allergy or would like more information about our dishes. Menu descriptions may not list every individual ingredient, please ask for more information. Ingredients can occasionally be substituted or changed at short notice so please review the allergy information on the website at the time of your visit and ask your server when you arrive. v = suitable for vegetarians, ve = suitable for vegans and vegetarians. Our vegan dishes are made to a vegan recipe but we cannot guarantee that they are suitable for those with MILK or EGG allergies. \* 1 of your 5-a-day. \*\* Approximate weight uncooked. \*\*\* May contain small bones. \*\*\*\* May contain fruit stones. 1 of 5-a-day = a minimum of 40g of fruit or vegetables or 150ml pure juice. We've provided you with the calorie information for each dish to help you make an informed choice. Children between 5-10 years old need around 1,800 calories a day. This will vary by age and level of activity as some children will need less and some will need more. Full nutrition information is available on our website. Calorie information is based on an average serving. Great Ormond Street Hospital Children's Charity. Registered charity no. 1160024. Price promotions excluded from charity donation.
